LYNNE JAHNS, PhD, BCCC
Christian Counselor

Becky Overholt is co-author with her brother, John Canine of *Green Grass in the Junk Yard*. In 2006, Becky was diagnosed with breast cancer and then uterine cancer two months later. Faced with multiple surgeries, chemotherapy and radiation treatments, she found herself questioning God, struggling with the possibility of death, and secretly wondering if she had done something to make God mad. “*Are You There God?*” will be her topic for this conference and is a question that each of us may have asked in our journey through life. Come hear her answer and how she arrived at it.

Lynne Jahns is a woman of strength, wisdom and truth. Her education and experience infuses her speaking with real-life examples and practical applications of God’s truth. She is a skilled teacher and counselor of God’s Word. Lynne’s goal in her teaching and counseling is to help others grow in their Christian walk, to understand the victorious Christian life and then be able to pass that experience on to others. Her message, “*Journey into His Greatness*” will encourage and equip listeners to live out their faith.

Ladies, join us in a day of spiritual food, fellowship, food for our bodies and fun.
